THE EDELWEISS CHALLENGE CUP & THE BELLADONNA CHALLENGE CUP

Wednesday Night Racing Instructions & Notes

1. RACE SCHEDULE

April 20, 2026

The race schedule, start times and start locations are detailed on the separate **KIRF Race Schedule**. This can be downloaded from www.kentislandsailing.org

The KIRF Wednesday Night Races comprise two separate series on alternate Wednesdays to encourage those who are unable to race every week.

The EDELWEISS CUP SERIES consists of 10 races.

The BELLADONNA TROPHY SERIES consists of 10 races on the alternate weeks.

Each Series is divided into a Spring Series and a Summer Series in order to encourage new participants to join during the season.

Start Line Locations:

Races designated "Prospect Bay"

Will start/finish on a line in the entrance of Kirwan's Creek (south of the Kent Narrows). The start line will be between two orange buoys laid on an extension of a line through the Kent Narrows South channel markers #4 and #3.

Races designated "Chester River"

Will start/finish between two orange buoys laid approximately 200 yards north west of the Kent Narrows North entrance channel marker #2KN. The line will align with the red channel markers.

2. COURSE OPTIONS:

IMPORTANT COURSE NOTES

1. For South Narrows, starts, the start/finish line will be set in a NE-SW direction and will line up with the Narrows #3 Green and #4 Red beacons. Use the alignment of the Green beacon and the orange buoy at the NE end of the line to time your finish.
2. A direct straight line between the start/finish line and the South Narrows #1 beacon will clip the edge of the infamous "BLOB" shallow spot. At low tide this will have no more than about 4 feet of water **so watch your depth**, a minor swing to the north east will save your race and some embarrassing treatment in the bar afterwards. This shallow area and all other shallows around the courses shall be considered as obstructions.
3. Course decision will be made shortly before the start depending on the conditions at the time.
4. Depending on the weather conditions, the PRO may select a long course for boats with PHRF < 200 and a short course for boats with PHRF > 200. A distance adjustment factor will be applied to the short course boats times to enable the results to be amalgamated.

3. RACE FORMATS

To add variety and interest we will call both Fleet Starts and Pursuit Starts. The type of start and the course will be called on the VHF (Ch 72) at about 15 to 20 minutes before the beginning of the start sequence, so listen up so you don't get lost!

Fleet Starts: All boats will start together at the designated start time

Pursuit Starts: Each boat starts at a different time according to both the boat rating and the course distance so that all boats should finish at about the same time. Your start time is calculated from a separate spread sheet that you should keep aboard at all times. To find your start time locate your PHRF rating in the left hand column then get your start time in the column for the course called. To make this easy to do in the heat of the start line simply highlight the row for your PHRF rating so you only need to look for the course column. Always use your GPS to time your start accurately and avoid protests!

4. HANDICAPPING.

PHRF Time On Time handicapping. If you want to race without a spinnaker you will need to tell the PRO before the race start. When racing non-spinnaker you may use a whisker pole but only one headsail is permitted.

5. WEDNESDAY NIGHT RACE SCORING

At least one race must be completed in each of the Spring and Summer Series to constitute a series.

Low points scoring shall apply, ie:

- 1 point for first place
- 2 points for second place
- 3 points for third place, etc.,

A boat that did not start, time limit expired, did not finish or retired after finishing scores number of starting boats in the race + 1.

A boat that is disqualified scores number of starting boats in the race + 2

No points are scored in races that are abandoned.

6. TIE BREAKERS

1. Greatest number of first places
2. Greatest number of second places
3. Lowest points in the last race

7. AWARDS

The Edelweiss Challenge Cup:

The score for the Edelweiss Challenge Cup shall be the sum of the scores for all Edelweiss Wednesday Night races. If 7 or 8 races occur then one result discard shall be allowed. If 9 or 10 races occur then 2 discards shall be allowed.

The Belladonna Challenge Cup:

The score for the Belladonna Challenge Cup shall be the sum of the scores for all BellaDonna Wednesday Night races. If 7 or 8 races occur then one result discard shall be allowed. If 9 or 10 races occur then 2 discards shall be allowed.

8. THE START & TIMEKEEPING

See the separate Schedule of Races for the start times. The start signals will be sounded from the PRO's boat. The start sequence will be:

5 minutes	Warning
4 minutes	Preparatory
1 minute	Ready
Zero	Start!

Keep your own time using a GPS. Wrist watches are not acceptable time keepers.

Write down your time at the start and finish and make a note of the name and sail number of the boat ahead and the boat astern of you at the finish. Send your information to the PRO as soon as possible afterward so that the results can be calculated and circulated in a timely manner.

9. TIME LIMITS. The time limit for all races shall be 2030 hours. If no boats finish before the time limit the race shall be counted as abandoned.

10. COMMUNICATIONS. All competitors should monitor channel 72 throughout the race to aid communication. All course changes, etc., will be called on 72 so listen up!

11. SAFETY.

Responsibility: Each entrant will be responsible for all safety issues with respect to participation in these races, and by participating agrees to hold the organizers harmless of all liability.

Standards: It is required that all participants meet or exceed the ORC Category 4P safety equipment standards.

Bad weather: in the event of bad or threatening weather any skipper may, during one hour before the start of a race, call for a vote among participating skippers for postponement or abandonment of a race if the PRO has

Kent Island Racing Fleet

not already done so. The race will be postponed or abandoned on a majority vote. It is important to remember that under all circumstances each skipper has the final responsibility for the decision to race and for the safety of his boat and crew regardless of the outcome of such a vote or the actions of the PRO.

12. IDENTIFICATION. The race will not be divided into different classes but all boats should fly the KIRF burgee on the backstay as a racing identity. A list of entries will be circulated a few days before the race so that we can all recognize one another.

13. PROTESTS. Protests should be filed with the PRO within one hour of the time limit for the race and there will be no appeals process.

14. RACING RULES. The 2025-2028 ISAF rules shall apply except where specifically amended by these instructions.

15. ENTRY FEE. The Wednesday Night Series racing fee is included in the KIRF fee of \$50.

16. INDEMNITY. By participating in this or any other KIRF event you agree to hold Chris Bardwell-Jones and everyone associated with the organization of KIRF events harmless of all liability.

General Notes

1. Unless otherwise notified, we meet after each race at a mutually agreed hostelry, for a follow up discussion and social gathering.
